

Please join us in supporting The Leukemia & Lymphoma Society's (LLS) Student Series campaign. Your support will help fund the therapies and treatments that help save the lives of blood cancer patients today.

For over 65 years LLS has invested more than \$1 billion to advance cancer therapies and save lives.

Last year alone, LLS invested nearly \$79.8 million in cutting-edge research. And many LLS-supported therapies not only help blood cancer patients, but are now used to treat patients with other forms of cancers as well. Nearly 40% of new cancer therapies approved by the FDA between 2000 and 2014 were first approved for blood cancer patients.

We really are changing the face of blood cancer!

All donations are greatly appreciated and are tax deductible. Donations support LLS research, patient services, advocacy, public and professional education, and community services.

Your child has received an individual collection box to collect donations in and then return to school with his/her name on it. All donation boxes need to be submitted by January 22, 2016. You can also donate online by going to: www.studentseries.org/ri Click on **Donate** in the TOP, RIGHT corner. Here you can make a donation in support of a specific student and/or classroom.

The classroom who raises the most in donations will receive a PIZZA PARTY! Help our school reach our goal of \$1200.00 to be in the running to earn the entire school an ice cream party as well. Every student who raises \$50 or more will be entered in a new iPad drawing and every student who raises \$50 or more in online donations will receive a free T-Shirt.
