

## WLC Canned Soup Drive

The WL Callahan School will be collecting canned soup with meat to benefit our Weekend Backpack Program from now through January 30, 2015. This food drive is being run in conjunction with a food drive being sponsored by the Feinstein Foundation. What does this mean? In addition to the Backpack Program receiving the canned soup, the Callahan School will receive \$1.00 from the Foundation for each can collected up to a maximum of \$1,000.00.

As always, thank you for your support. This drive is being run in conjunction with a food drive being sponsored by the Feinstein Foundation. What does this mean?
