Good Evening,

Please see the following information regarding accessing Elementary Report Cards on Skyward Family Access.

Elementary Report Cards:

This year, Burrillville School Department has worked diligently to make the elementary report card simpler, easier to read, and more concise. Instead of printing report cards, we will be publishing most of them to Skyward Family Access, our student information system's "parent portal".

Trimester 1 report cards for grades 1 through 5 will be published to Skyward Family Access at 3 PM on Friday, December 15th. For now, Trimester 1 report cards for Kindergarten will be emailed to the family.

Detailed information about the Elementary Report Card can be found on [our website](#), or within Skyward Family Access by clicking **District Links** → **Elementary Report Card Information**.

If you would like a paper copy of the report card, you can either print it at home or request a copy by contacting your the office at your child's school and they can print one for you.

Skyward Family Access - Report Card Access:

To access your child's Grade 1 to Grade 5 report card, you will need to sign into [Skyward Family Access](#) and select **Portfolio** from the left column. The report card will be listed under "Portfolio Attachments."

A handwritten signature in blue ink, appearing to read "Justin Allen".
