This is an unprecedented time in history and we’d love to capture it in our 2020 Yearbook! We are almost done putting our yearbook together but we need some photos and short stories to help us finish up! We want to know:

“How are you learning at home?”

Parents, please share any photos and short stories of how your students are learning at home and what you’re doing to stay healthy and safe!

You can send (max. 2 photos) via email to:
