

"Keeping the Faith"

A School Beautification Evening

On May 23, 2018 we will have an evening of gardening. Please join us any time between 3:30-until dusk. It will be necessary for you to bring your own gardening supplies. Refreshments and lots of laughs provided!

We will also work on tidying up Faith's Garden. Many of you may not know about our former student Faith. Faith lived a courageous young life. Despite her illness, she always smiled and made everyone around her smile too. Let's honor her memory as we work to beautify the William L. Callahan landscape.

Let us know you plan to come by filling out the bottom portion of this form. Looking forward to seeing you then!
